

Capabilities Statement

Leaders in Creative Business & Government Solutions

Company Overview

SKS Government Solutions, Inc. (SKS), provides comprehensive full-scope IT and Management consulting services in Washington DC Area, using proven technologies and industry best practices. A Woman-Owned Small Business founded in 2016 by leadership with over 20 years of complex Enterprise Architecture expertise and performance-based program management experience, SKS has been the strategic partner in designing strategies, managing technology initiatives, cloud management and implementing IT infrastructures for small business, corporations, and Government agencies. Our mission is clear: We strive to provide innovative solutions efficiently and effectively.

Differentiators

Customer Focused: We understand the Government environment. We provide customized solutions that exceed expectations by focusing on each agency's unique goals, mission, and objectives while providing the flexibility to address constraints.

Proven Processes: We implement customized industry best practices, and results-based methodologies to deliver high-quality solutions.

Classified Credentials: We have the ability to provide experts with high level U.S. government security clearance

Top Alliance Partners: We have established robust partnerships with trusted manufacturers, allowing us to deliver enhanced reliability.
