

# SKS Government Solutions, Inc.

Technology Innovation and Management Consulting

## Capabilities Statement

Leaders in Creative Business & Government Solutions

### Company Overview

SKS Government Solutions, Inc. (SKS) has been the strategic partner in designing IT strategies, managing technology initiatives, cloud solutions, implementing IT infrastructures for DC Government agencies and businesses. We deliver efficient solutions, with efficiency, adherence to governance policies, and compliance.

A Woman Owned Small Business founded in 2016 by leadership with over 22 years of strategic solutions for critical Applications, Sustainable Solutions, Enterprise Architecture expertise and performance-based program management experience. Our mission is clear: **We strive to provide innovative solutions efficiently and effectively.**

### Differentiators

**Customer Focused:** We understand the Government environment. We provide customized solutions that exceed expectations by focusing on each agency's unique goals, mission, and objectives while providing the flexibility to address constraints.

**Proven Processes:** We implement customized industry best practices, and results-based methodologies to deliver high-quality solutions.

**Classified Credentials:** We have the ability to provide experts with high level U.S. government security clearance

**Top Alliance Partners:** We have established robust partnerships with trusted manufacturers, allowing us to deliver enhanced reliability.
